## Privacy Policy

### Privacy Policy

Your privacy is critically important to us. This course and its content, hosted on Whop, is intended only for enrolled users. We collect only the necessary personal data (e.g., email, payment confirmation) to deliver course material and allow account access. No personal data is sold or shared with third parties.

Access to the course is granted for 12 months, and those who complete it in full are granted a downloadable copy of the course as part of our promise. All material is secured and access is granted only upon successful payment and registration.

By signing up, you consent to receive communication regarding your course progress, updates, and related offers that support your learning journey. You may opt out at any time.

We take security seriously and apply content protection strategies, though we cannot guarantee full protection against screen recordings or unauthorized downloads.

For any privacy-related concerns, contact our support team through your account dashboard.

## Terms of Use

By accessing and using the course provided by The Agency Worldwide via Whop, you agree to be bound by these Terms of Use.

### 1. Access Duration:

You are granted access to the course for 12 months from the date of purchase. Failure to complete the course within this time means you forfeit the right to access or download its contents after expiration.

### 2. Intellectual Property:

All course materials, including videos, texts, assessments, and visuals, are the intellectual property of The Agency Worldwide. Any redistribution, duplication, or unauthorized sharing is strictly prohibited.

### 3. Completion-Based Lifetime Access:

A downloadable copy of the course is granted only to users who complete 100% of the program. This is a condition-based privilege and not an entitlement.

### 4. No Refund Policy:

Refunds are only offered to users who fully complete the course and are still unsatisfied, based on strict review. Refunds are not available for users who do not complete the material.

### 5. Pricing and Availability:

Course pricing may drop daily until course expiration. Once the course expires, it will not be available again.

### 6. User Responsibility:

## **Privacy Policy & Terms of Use**

You agree not to attempt to bypass paywalls, reverse engineer course components, or share login credentials. Violation may result in account termination.

These terms may be updated at any time. Continued use of the platform implies acceptance of changes.
